

FROM (Flat River Outreach Ministries) is the Greater Lowell community hub where hope, resources and gifts are shared. Our 2020 Annual Report provides financial information along with information on the impact of our programs.

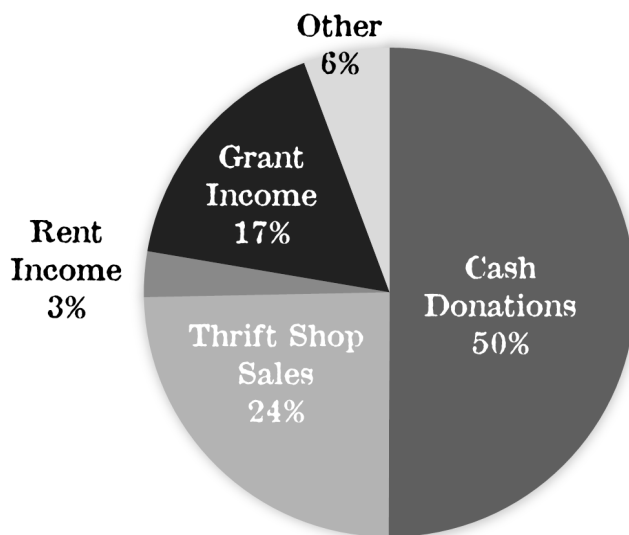

Operating with a small staff, FROM relies on volunteers in programs as well as Treasures Thrift Shop. In 2020, volunteers served more than **27,005 hours at FROM**. We are so thankful for each and every one of our volunteers. Together, we were able to touch lives of families in need right here in our community.

"When I was down and out had nowhere to turn I learned about FROM. FROM saved me a lot of grief. They educated me and gave me so many resources to use if I needed. I turned my family with children to FROM and they helped them so much."

*Incredible community generosity, federal government funding/services along with delays in spending resulted in a surplus for 2020. This surplus will be used to both prepare the organization for the future and enhance programming for our community.
